

## **Jessica Transcript**

**Jessica:** When I was ten, my mom got deported. We had a difficult time, and I feel that's why I didn't get to finish school.

**Gustavo:** Jessica has been through a lot in her life from early childhood.

**Jessica:** My husband is really supportive in the way that he pushed me to go back to school.

**John:** She came in looking to complete her diploma. She had a family she had to take care of. Anytime she needed help we provided her help...she realized that we were here for her.

**Gustavo:** She wants to have a career so her kids can look up to her.

**Jessica:** My graduation, it was something I will never forget. I couldn't explain the emotion I was feeling, because people like you and me may sometimes have doubts in themselves, but I feel that everything's possible.

**John:** Jessica's future is brighter than ever.
