

Step 2 Transcript:

Step two: Next you'll need to register for classes.

Stop by or call an adult education center to sign up for classes.

You'll meet with an instructor to create a learning plan based on your needs.

You will be asked to take a placement test, so you can find out which classes are right for you.

Everyone takes it, and it's nothing to be worried about—at all.

When it's done, you'll be signed up for the appropriate class and be one step closer to earning your high school equivalency diploma.

...and ready to move on to step three!
